Dear Kim:

Last year a group of dynamic community and business leaders in our community expressed their disappointment and frustration with the current administration in the 9th Council District and they asked me to run. They expressed the need for a candidate who understands and will fight for their interests. Promoting small business, housing, education and development leading to jobs, as well as connecting these community assets with each and every community member will be my mission as councilman. Since that first “ask,” I have been ever more involved in my community and the momentum for my campaign has reached a fever pitch.

Now it is time to make my “ask” to take this grassroots campaign to the next level. I am seeking the endorsement of the Democratic Party and the support of the voters. With endorsement fees, brochures, fliers, yard signs, website, events, canvassing and my organization all needed to win this campaign; I will need your help.

Your early contribution, made payable to “Friends of Kierran Young” will give my candidacy a tremendous boost. Your gift of \$250, \$500, \$1000, or \$2500 will help me raise the initial funds needed to launch this campaign.

I ask for your support in this great challenge. A reply envelope is enclosed and I hope that you will use it to return your personal check and help us bring opportunity and prosperity back to the 9th Council District. Thank you for your continued encouragement and support.

Sincerely,

Kierran C. Young
