To Whom It May Concern:

As a political professional with a proven leadership background, it is with great pleasure that I submit my resume for your consideration. In addition to my past accomplishments and training, my history of hands-on experiences make me an excellent match for the unique demands of this job.

In 2020, As Western Pennsylvania Regional Organizer for Black Voters Matter, a nonprofit grassroots organization focused on increasing voter registration and turnout in Pennsylvania's black communities. I advocated for policies to expand voting rights and access, including expanding early voting, resisting voter ID, re-entry restoration of rights and strengthening the Voting Rights Act. I also advocated for policies that intersect with race, gender, economic and other aspects of equity. I worked to develop infrastructure where little or none existed. This included managing a grant program, staff training, candidate development and network development.

I spent time as the Political Director on a United States Senate race in Texas. During my experience working for Congressman Chris Bell I was able to build relationships and coalitions with many elected officials, community leaders and various organizations around the state of Texas.

While State Director for The Mountain State Values Political Action Committee, I managed and led a salaried staff of ten and an hourly staff of 100 with over 5 offices throughout the state of West Virginia. In addition to my years of experience motivating talented staff, managing organizers, paid canvassers and running field operations both on state and local campaigns, I am experienced in campaign management with success in building and maintaining effective coalition partnerships. I have developed, implemented and evaluated strategies that achieve positive change, while maintaining collaborative relationships with partner organizations.

I'm certain I will bring a unique perspective to the job, as I have an undeniable passion for working on political campaigns and organizing as well as non profit work. My experiences coupled with my passion, leadership, and enthusiasm give me a great skill set to add to your team. Please feel free to contact me at kierranyoung412@gmail.com or by telephone at (412) 620 -3712. Thank you for taking the time to consider me.

Sincerely,
