TOM B. SMITH

DEMOCRAT FOR DELEGATE

A DEVOTION TO SERVICE

After graduating from the Air Force Academy, Tom Smith led special operations teams into combat. That commitment to service led him to fight forest fires, work at a refugee camp, help with earthquake relief, and lead pandemic relief efforts here at home.

MAKING THE SYSTEM WORK FOR US

Despite being one of the wealthiest counties in the country, too many in this district are still left behind. As a foster parent to two amazing boys, Tom Smith knows this all too well. He is running to change that and make sure everyone in our community has a champion in Annapolis.

BRINGING PEOPLE TOGETHER

Tom Smith currently works with veterans in Congress to craft bipartisan legislation. He has years of experience in coalition building, from the heat of battle to the halls of Congress. He'll work with anyone in order to improve the lives of those in need.
